Telephone: 0331-991421

## **GENERAL INFORMATION VALID FOR ANY TREATMENT**

All the treatments carried out through this website are based on the principles of lawfulness, correctness and transparency.

At any time, it is possible to exercise the rights set out in the articles of law mentioned above by making an explicit request to the owner or data processor. It is also possible to request precise information about the subjects who process the data on behalf of the owner (Managers, Officers, etc ...).

During the processing operations, an adequate level of protection and confidentiality will be guaranteed and compliant with the provisions of art. 32 of the GDPR.

In the event that the Website uses personal information for purposes other than those established in this statement, the User will be asked for specific consent.

## **SPECIFIC INFORMATION FOR EVERY TYPE OF TREATMENT**

### **a. Data collected from the use of our services by the User**

Type of data processed:

- internet protocol (IP) address;
- date and time;
- type of connection (http-https);
- destination and origin url;
- browser and OS identification string;
- connection status code.

Purpose: to obtain statistical information on the use of services (most visited pages, number of visitors by time or day, geographical areas of origin, etc.); check the correct functioning of the services offered.

This is information that is not collected to be associated with identified data subjects, but which by their very nature could, through processing and association with data held by third parties, allow users to be identified.

The data could be used to ascertain responsibility in case of hypothetical computer crimes against the site.

Legal basis: Article 6 letter f) GDPR: the processing is necessary for the pursuit of the legitimate interest of the data controller or third parties, provided that the interests or fundamental rights and freedoms of the data subject that require the protection of personal data, in particular if the data subject is a minor.

Retention times: the navigation data do not persist for more than seven days and are deleted immediately after their aggregation (except for any need to ascertain crimes by the judicial authorities).

Nature of the provision: mandatory to take advantage of the website's functions.

**b. Data provided by the user through the use of the site's features:**

Type of data processed: personal contact data.

Purpose: management of requests for information received from visitors by filling in the electronic forms on the pages of the site, or through the email addresses of the offices and / or staff.

Legal basis: art. 6 lett. b) GDPR the processing is necessary for the execution of a contract of which the interested party is a party or for the execution of pre-contractual measures adopted at the request of the same.

Nature of the provision: the provision of data is necessary in order to respond fully and correctly to requests.

Retention times: the data will be kept for periods compatible with the purpose of the collection and subsequently deleted. The data may be disclosed to third parties only when it is functional to give correct feedback to the interested party.

**THE SUBJECTS TO WHOM THE DATA MAY BE COMMUNICATED**

Where necessary, the communication of the data will eventually be made only to competent authorities, trusted subjects appointed by the Website Owner for the performance of technical and / or organizational tasks (provision of legal, accounting, tax, consultancy services, etc. .). Your data may be disclosed to partner companies appointed as external data processors pursuant to art. 28 of EU Reg. 2016/679 to follow up on your requests.

Personal data are not subject to disclosure or transfer of data outside the EU.

**RIGHTS OF THE INTERESTED PARTY**

The interested parties have the right to obtain from the Data Controller, in the cases provided for, access to personal data and the correction or cancellation of the same or the limitation of the processing that concerns them or to oppose the processing (articles 15 et seq. of the Regulation).

Interested parties who believe that the processing of their personal data carried out through this service is in violation of the provisions of the Regulation have the right to lodge a complaint with the Guarantor, as required by art. 77 of the Regulation itself.

To exercise your rights, you can use the contacts of the Data Controller.

## **LOG AND COOKIES**

The site uses only temporary cookies. Furthermore, some information is automatically collected during the visit and navigation of the pages of the Site (type of browser used, time of connection, IP addresses, already ISP, etc.) and stored in the log. This information, however, does not identify individual Users and is used by the site for anonymous and aggregate statistical analysis to improve the navigability of the Site and the quality of the service.

### **Technical Cookies:**

Cookies relating to the saving of preferences and optimization.

Statistical cookies used directly by the site operator to collect information in aggregate form.

All technical cookies do not require consent, so they are installed automatically following access to the site.

### **Cookies for which consent is required:**

All cookies other than the technical ones mentioned above are installed or activated only following the consent given by the user the first time they visit the site. Consent can be expressed in a general way, by interacting with the brief information banner present on the landing page of the site, according to the methods indicated in this banner (by clicking on the OK button or on the X button; or by continuing to browse, even with the scroll or through a link).

No cookies are used on this site for which consent is required.

### **Cookies managed by third parties:**

Through this site cookies managed by third parties are also installed. You will find below some indications, and a link to the privacy policy and the consent form for each of them. For all you can also express your consent by continuing to browse or by closing this window.

Google Analytics (Google Inc.)

Google Analytics is a web analysis service provided by Google, Inc. ("Google"). Google uses the data collected to track and examine the use of this application, to prepare an activity report and share them with other Google services.

Google may use the data collected to contextualize and personalize the advertisements of its own advertising network.

Personal data collected: Cookies and Usage data.

Place of processing: USA – <https://policies.google.com/privacy?hl=en-US>

### **Social network cookies:**

They are used for sharing content on social networks.

You will find below the name of the third parties that manage them, and for each of them the link to the page where you can receive information on the processing and express your consent.

Facebook: <https://www.facebook.com/help/206635839404055>

Youtube: <https://policies.google.com/technologies/cookies?hl=it>

Remember that you can manage your cookie preferences also through the browser

If you do not know the type and version of browser you are using, click on "Help" in the browser window at the top, from which you can access all the necessary information.

If you know your browser, click on the one you are using to access the cookie management page.
